Also visited the 44th Taipei International Electronics Show (Taitronics 2018), organized by TAITRA/TEEMA at Nangang Exhibition Hall, Taipei World Trade Center, Taipei during 9-12 Oct, 2018.

The 4th India – Taiwan Electronics Meet, 2018, a half day Conference and Buyer Seller forum for networking with Taiwanese companies and One to One discussions.

ELCINA has taken the initiative to launch the “India-Taiwan Electronics Meet (ITEM)” in 2015 as a bilateral business to business meet-cum-conference to promote collaboration between Indian and Taiwanese companies. ITEM aims to catalyse growth in collaborations and business between Indian and Taiwanese Companies from electronics sector.

Support from Institute for Information Industry and by Key Associations TEEMA, TPCA and TCA is of great value in organising and successfully bringing industry on one platform.

The event was very successful and about 80+ Taiwanese organisation participated and interacted with 15+ ELCINA member companies. Mr. Pankaj Kumar, IAS, Additional Secretary, Meity graced the occasion as the chief guest. Mr. Amrit Manwani, President ELCINA dwelt on ELCINA's strong commitment to promote manufacturing and creating a supportive ecosystem to accelerate all-round growth of value-added manufacturing and electronic manufacturing/services in the country.

Apart from visiting Taitronics and ITEM, ELCINA also organised plant visits to Advantech and CviLux. The plant visits were very informative.
